2017-2018 Cotillion Season

SEVENTH-EIGHTH GRADE

Please respond by July 1, 2017

Manners for Life provides an opportunity for Seventh and Eighth Grade students to learn social skills and practice them with peers.

Classes

Young people with good manners perform better in school, college admissions, scholarship interviews and in securing jobs. Studies from institutions such as Harvard and USC show that as much 85% of job success is based on social skills. Manners for Life classes help your child understand the real world expectations of appropriate and respectful behaviors.

Dress Code

The Introduction Party (first event) is informal. Most events require a knee length dress or skirt for ladies and a coat and tie, belt, dark socks and dress shoes for gentlemen. Some events require dress codes that coordinate with the event. This information will be provided to you at the first class. Students must be entering seventh or eighth grade in the 2017-2018 school year. This class is limited to a total of 50 students.
